

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are being perfected through Jesus Christ, our Savior, in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music videos as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the work of the church.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. –
*Please see the other side of this flap.
Fill out and place in the Offering Plate.
Thank you!*

Minister's Corner

Shalom aleikhem! שלום עליכם Peace be upon you!

Good morning and thank you for choosing to be with us this morning as we endeavor to worship God with our hearts and minds, with our voices in songs, prayers and sharing of the word. As we partake of the communion this morning, coming together as one body, I pray that the remembrance of Jesus' love for us will tune us all in to a greater degree to the truth we would be looking at today in **1 John 4**. Today is also Father's Day and I want to thank all our dads and wish you all a very Happy Father's Day. There are many the things that Father's do, without getting recognition or praise, but we know that it is because of this one special quality that represents God, and John talks about in his letter, and which we all copy and embody in our fatherhood, that makes it all possible. *"8 Whoever does not love does not know God, because God is love."* says John, and his words reverberate over the centuries and millennia we've witness through the biblical text in which again and again God shows Himself to be just that. LOVE. It comes down to this: Without God, there is no love, for God is love. God must be a part of every relationship.
