Minister's Corner

Christ is Risen!

Good morning and welcome to our Easter Sunday Worship service. Today is probably one of the most significant Christian holidays, rivaled perhaps only by Christmas alone, which is another Christ centered celebration. Unlike Christmas, this is a bitter sweet celebration for us. It is a day in which we come together fully aware of our sin, of the ways in which we've disappointed God and yet we come together filled with joy and hope for we celebrate a complete victory, the victory of Jesus over death, over our condemnation. I pray that as you come here today you will focus on this victory won for you. Jesus invites us to REMEMBER! To REMEMBER HIM! And what is there to remember? This, of course, will be the subject of our sermon today as we gather around the Lord's Table.

May God bless you richly in Jesus Christ and in His triumphant victory over sin and death and may His sacrifice and resurrection be reflected into every day you live. May those seeing you witness the transforming power of the cross!

He is Risen Indeed!

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. – *Please see the other side of this flap. Fill out and place in the Offering Plate. Thank you!*
