

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. – *Please see the other side of this flap. Fill out and place in the Offering Plate. Thank you!*

Minister's Corner

Shalom aleikhem! שלום עליכם Peace be upon you!

I pray that you are doing well this morning and are ready to worship and recharge after this week spent fighting the world. I praise God for your presence in our worship and the encouragement it provides to those around you.

Today we will continue talking about GRACE. This important concept woven into the fabric of our every day lives and our relationship with God. Everything in our lives comes back to, or rather, establishes itself on, God's Grace. It is through Grace that we are saved, but it is also God's Grace that teaches us how "to live self-controlled, upright and godly lives." Let us gather today and explore further the depths of God's Grace as we give Him glory and honor as it is fit! Shalom aleikhem!

VBS in a Box 2020

The elementary students and youngest of our congregation will be learning about Building/Construction and how that relates to spiritual themes. The teens' theme expands that a little... or maybe it is actually a bit more specific! When we build and construct, we are usually building things for our home, ourselves, our communities, and our friends and family.

Recently, with COVID-19, home may have changed into something a little different than it has been before. Or maybe it just made some functions of home more important than they had been in the past.

No matter where home is, what it looks like, who is inside, or what is happening outside of our door, Christians are encouraged to BUILD a Christian life within our HOME.

So, with those thoughts in mind...welcome to your VBS in a Box 2020 theme: Building Up, Building Home.

Thank you, Pamela McCauley, for listening to the Spirit and single handedly creating, organizing, and making this VBS possible for the Troy teens & kids!

Offering

Don't forget, for your convenience and safety you can still make your offering on line at <http://www.troychurch.net/give>

...We will not pass an offering tray/plate around. If you want to make your offering via cash or check please place it in the offering tray/plate as you exit the auditorium. Thank you.
