

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. –
Please see the other side of this flap. Fill out and place in the Offering Plate. Thank you!

Minister's Corner

Shalom aleikhem! שלום עליכם Peace be upon you!

Good morning to you on this Palm Sunday. We are on the final stretch to Easter. The events of this week, two thousand years ago, impacted humanity's relationship with God in a way that can only be compared to the Fall of Mankind, except in reverse. Through His cross Jesus metaphorically put a splinter over the fractured relationship we had with God, starting a healing process that will be complete upon His return to take us all home. Caleb will be preaching this morning on the subject of the cross and I look forward to drink from the spring Christ brought forth in him. Thank you Caleb.

This Wednesday – March 31st –Family Time & Bible Study

Those of you who would like, you are welcome to join us on Wednesday evening from 6PM with your take-out or home cooked dinner at the church building for an hour of family time.

...After the dinner, Charles will guide us through the book Genesis – God, Creation and Destruction by Dennis Prager which will be also video conferenced via Zoom.

Teens Study – Canceled for Today

Since yesterday I've felt some signs that I may be coming down with a headcold. I considered they may be allergies but now I think is more than allergies. I don't have any fever, but I am all stuffed up. Next week is Easter so we may have to skip that day as well. I am not sure yet as the weirdness of these past year has affected what families do at Easter so we'll play it by ear based on the feedback I get..
