

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. –

Minister's Corner

Shalom aleikhem! שלום עליכם Peace be upon you!

A happy new month to you and yours! καλό μήνα! Kalo mina!

It is April already and as I repeat these words, I realize that they are starting to sound like a refrain. Time is racing so fast by us that besides marking pace I feel there is very little we have the chance to do. 2019 came with the pandemic and completely disrupted our lives and the pulse of our congregation. We find ourselves in 2022, almost as if overnight, and as we continue our Colossians journey, I pray that the result will be a deep impact in the spiritual and evangelical life of our congregation. The Colossian church confronted itself with a fallacy over their image and so do we. In an age of ambiguity and paradox the Church is charged with reflecting the truth, of choosing to live by the unpopular truth to the glory of God. May so help us God and give us strength to hold our torches high!
