

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. – *Please see the other side of this flap. Fill out and place in the Offering Plate. Thank you!*

Minister's Corner

Shalom aleikhem! שלום עליכם Peace be upon you!

Good morning and thank you for choosing to worship with the Troy Congregation this morning. We will be for the next five weeks or so looking at different topics from the letter to the Roman Church. As the Romans, I think there is a lot of confusion today when talking about salvation. The topic ends in debate nine times out of ten as people start considering faith vs works or trying to reconcile the two.

I pray that these sermons will help you better understand the topic and as a consequence feel more confident on your salvation and relationship with God, our Father as well as with the other members of the trinity.

Thank you again for being with us today, may God bless you with an abundance of blessings according to the needs of your heart! Amen!

This Wednesday – January 11th – Family Time & Question in the Box

On Wednesday, we will meet in person for our Family Time at 6:00PM for those of you who want to bring their meal and eat it in the company of other brothers and sisters. This is our weekly fellowship meal.

From 7PM, we will look at the question we were supposed to look at last month regarding illegal immigration.
