Minister's Corner

Good morning and welcome to Troy Church's gathering of worship on this beautiful Lord's Day. We are encouraged to give God the best of what we have and of who we are, our first fruits. Thus, today, on the 1st day of the week, it is only fitting that we are here, and we dedicate it to God. We especially thank Him for community today! We will Celebrate Community during our annual Corn Roast taking place immediately following the worship services. We've been in this community for 64 years, sharing this neighborhood with the people of this community and we are grateful and blessed to have had the privilege. We pray God's blessings on this community as we strive to continue to be one of those blessings. May God grant us many future years to serve and love this community, and through us, may many come to know God and the eternal life He calls humanity to. Thank you for being here. Join me in worship as we show Him our love and devotion.

This Wednesday – September 11th – Family Time & Peak of the Week

This Wednesday we will meet for our usual Family Time. Please come join us! Bring your packed dinner and enjoy it as you fellowship with brothers and sisters in faith and talk life & faith.

From 7:00PM we will continue our study series on Prayer. I know it will enrich your life and your relationship with God. This is part of our training curriculum.

Dear Guest,

Welcome to the Church, the group of believers in Christ that gathers at this location.

Whatever the reason that brought you through our doors we are very happy you chose to be with us today. We are not perfect as individuals, but we are perfected in our love for each other and the love for God.

Although our affiliation is with the acapella Churches of Christ as an organization, our services include some instrumental music as well as the participation of women in prayer and different elements of our assembly time.

We observe the Lord's Supper every Sunday as the focal point of our gathering and also take a collection to support the church's work.

As a guest you are not expected to take part in any of these practices and we hope they will not create you any discomfort. We would love to talk to you about any of our practices. – *Please see the other side of this flap. Fill out and place in the Offering Plate. Thank you!*
